Subject: Four Rivers Cultural Center
Final Completion

Dear David,

The Four Rivers Cultural Center is complete except for a few Owner finish items. By all standards the Project was a success. Morrison Knudsen is proud to have been a part of the Team that made the venture possible. Atwood Hinzman Jones was also a member of the Team and MK is pleased to have work with you during the year and a half of our involvement. All members of your staff were courteous, knowledgeable, professional and prompt with resolution of the questions that were generated on the Project. We thank all of them and especially you, Dave, for your help in making Ontario's Cultural Center a reality.

Well done, all of you. I hope we can work together again someday in the future.

Yours truly,
